No. 318

Sir,

With reference to my letter No. 294 dated 1st March last, I have the honor to request early orders on the subject of the disposal of the new distillery enclosure at Sagar. The old building is dilapidated and affords but insufficient accommodation, whilst the new structure has been ready for 2 years. It only requires the Chief Commissioner's order for occupation.

2. If there is any difficulty in directing the removal of the distillery to the new building

building. I propose if You have no objection to allocate the Sayarkatte in it, as the old kacheri in which the Sayar work is hitherto performed is shortly to be sold out.

I have the honor &c
Sir,
Your most obedient servant:
